INDEPENDENT AUDITORS' REPORT

Honorable Allen Krake, Louisiana State District Judge
Thirty-Fifth Judicial District Court
200 Main Street, Suite 202
Colfax, Louisiana 71417

We have audited the accompanying financial statements of the Thirty-Fifth Judicial District Expense Fund as of and for the year ended December 31, 2001. These financial statements are the responsibility of management of the Thirty-Fifth Judicial District. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with generally accepted auditing standards and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

As discussed in Note 1, the financial statements present only the financial transactions of the Expense Fund, administered by the Thirty-Fifth Judicial District Court, a Component Unit of the Grant Parish Police Jury.

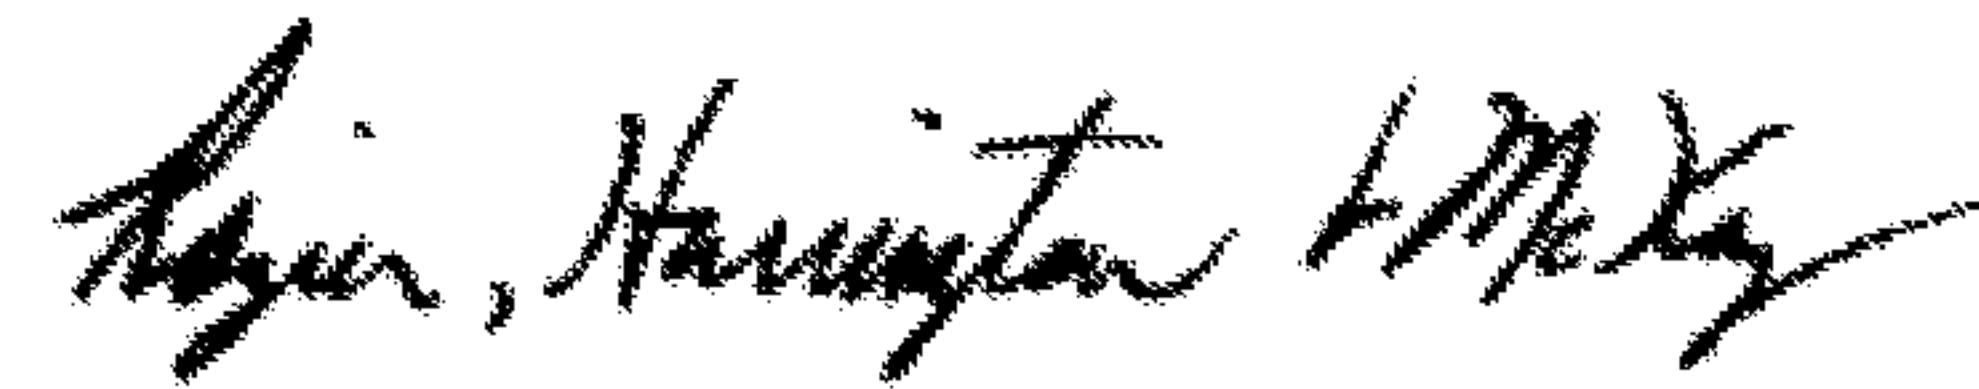

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Thirty-Fifth Judicial District Expense Fund as of December 31, 2001, and the results of its operations for the year then ended in conformity with generally accepted accounting principles.

That report is an integral part of an audit performed in accordance with *Government Auditing Standards* and should be read in conjunction with this report in considering the results of our audit.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2001**

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

ORGANIZATION AND REPORTING ENTITY

The Thirty-Fifth Judicial District was established under the laws of the State of Louisiana for the purpose of creating a State District Court having jurisdiction over Grant Parish, Louisiana. The District receives fees and other costs which are assessed from persons participating in the judicial process. The Judicial Expense Fund was established to account for the receipt of these revenues. The revenues collected may be expended for any purpose to supplement the proper administration of the Court or the Office of the Judge.

The accompanying financial statements present the financial transactions of the Thirty-Fifth Judicial District Expense Fund, a fund administered by the Thirty-Fifth Judicial Court, which is a Component Unit of Grant Parish Police Jury. The financial statements are not intended to present financial position and results of operations for the Judge's Office, the Thirty-Fifth Judicial District Court or the Grant Parish Police Jury.

BASIS OF PRESENTATION

The accompanying financial statements of the Thirty-Fifth Judicial District Expense Fund have been prepared in conformity with generally accepted accounting principles (GAAP) as applied to governmental units. The Governmental Accounting Standards Board (GASB) is the accepted standard-setting body for establishing governmental accounting and financial reporting principles.

USE OF ESTIMATES

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

FUND ACCOUNTING

The Thirty-Fifth Judicial District Expense Fund is organized and operated on a fund basis whereby a self-balancing set of accounts is maintained that comprises its assets, liabilities, fund equity, revenues and expenditures.

BASIS OF ACCOUNTING

Basis of accounting refers to when revenues and expenditures are recognized in the accounts and reported in the financial statements. Basis of accounting relates to the timing of the measurements made, regardless of the measurement focus applied. The Expense Fund is accounted for using the modified accrual basis of accounting. Under the modified accrual basis of accounting, revenue is recognized when it becomes both measurable and available, and expenditures are recognized when a liability has been incurred. Available means collectible within the current period or within sixty days after year end.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2001**

BUDGETS

Budgets are prepared annually by the Judicial staff and approved by the District Judge. Any necessary amendments are approved prior to the end of each year. Amended budgets are prepared and approved in the same manner as the initial budget.

ENCUMBRANCES

Purchase orders, contracts, & other commitments to engage in future expenditures are referred to as encumbrances. Since encumbrances do not represent liabilities or current expenditures, they are not reported in the accompanying financial statements.

FIXED ASSETS

Property and equipment purchased by the Expense Fund are recorded as expenditures at the time they are purchased or constructed. In accordance with generally accepted accounting principals for governmental units, the Expense Fund does not capitalize fixed assets.

NOTE 2 - CASH AND CASH EQUIVALENTS

At December 31, 2001, cash and cash equivalents (book balance) totaled \$25,871. The collected bank balance of \$26,949 was fully insured by the Federal Deposit Insurance Corporation at December 31, 2001.

NOTE 3 - RECEIVABLES

Accounts receivable at year end totaled \$5,891. Receivables consist of amounts due from other local governmental agencies and are considered fully collectible.

**INDEPENDENT AUDITORS' REPORT ON COMPLIANCE AND ON
INTERNAL CONTROL OVER FINANCIAL REPORTING BASED ON AN
AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE
WITH GOVERNMENT AUDITING STANDARDS**

Honorable Allen Krake
Louisiana State District Judge
Thirty-Fifth Judicial District Court
200 Main Street, Suite 202
Colfax, Louisiana 71417

We have audited the financial statements of the Thirty-Fifth Judicial District Expense Fund, as of and for the year ended December 31, 2001 and have issued our report thereon dated May 22, 2002. We conducted our audit in accordance with generally accepted auditing standards and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States.

Compliance

As part of obtaining reasonable assurance about whether Thirty-Fifth Judicial District Expense Fund financial statements are free of material misstatements, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grants, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance that are required to be reported under *Government Auditing Standards*.

Internal Control Over Financial Reporting

In planning and performing our audit, we considered Thirty-Fifth Judicial District Expense Fund's internal control over financial reporting in order to determine our auditing procedures for the purpose of expressing our opinion on the financial statements and not to provide assurance on the internal control over financial reporting. Our consideration of the internal control over financial reporting would not necessarily disclose all matters in the internal control over financial reporting that might be material weaknesses. A material weakness is a condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that misstatements in amounts

that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. We noted no matters involving the internal control over financial reporting and its operation that we consider to be material weaknesses.

This report is intended for the information of management; however, this report is a matter of public record and its distribution is not limited.
